IRC NEWS - 010

COMING SOON! COMING SOON!

May 31 @ 2:30 PM

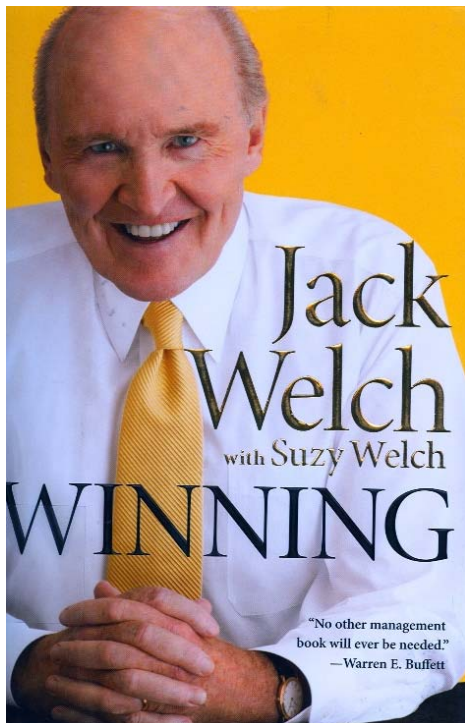

Venue: IRC #103

**IRC Seminars - Maximize Knowledge @ Work
5TH Edition**

Please plan to attend this seminar on '*Winning*'.

After the Ken Blanchard series, the IRC is pleased to share with you the ideologies and strategies of another guru of management: Jack Welch. Welch is one of the greatest innovators of the past 75 years, an icon in American business. He is cited by Fortune magazine as 'The Manager of the Century'. This book is devoted to the real 'stuff' of work. The book is split into three sections.

- The first looks inside the company, from leadership to picking winners to making change happen.
- The second section looks outside, at the competition, with chapters on strategy, mergers and Six Sigma.
- The last section of the book is about managing your career, from finding the right job to achieving a work-life balance.

Please join the next Seminar based on the best seller '*Winning*' on Thursday May 31, 2007 from 2:30 PM to 5:30 PM.

To register, just reply to this email.
